DRUG AND ALCOHOL TESTING CONSENT

{{AGENCY_NAME}} maintains a drug- and alcohol-free workplace to protect the health and safety of clients, caregivers, and the public.

Testing Conditions

- Pre-employment testing as a condition of hire
- Reasonable-suspicion testing based on observed behavior or performance
- Post-incident testing following any workplace incident or injury
- Random testing where permitted by state law
- Return-to-duty and follow-up testing after a positive result or treatment

Substances Tested

Testing may screen for amphetamines, cocaine, opiates, phencyclidine (PCP), THC/marijuana metabolites, benzodiazepines, barbiturates, methadone, propoxyphene, and alcohol, in accordance with {{AGENCY_STATE}} law.

Authorization

I voluntarily consent to drug and/or alcohol testing as described. I authorize the testing facility and the Agency's Medical Review Officer to release the results to {{AGENCY_NAME}}. I understand that refusal to test, tampering with a sample, or a confirmed positive test may result in withdrawal of any offer or termination of employment, subject to applicable law.

Prescription Medications

If a positive test is reported, the Medical Review Officer will contact me to discuss any prescription or over-the-counter medications that may explain the result. I am not required to disclose prescriptions in advance.
